**AGENDA ITEMS FOR 8TH MEETING OF THE REGIONAL
EMPOWERED COMMITTEE TO BE HELD ON 30TH SEPTEMBER,
2015 AT REGIONAL OFFICE, BHOPAL OF MOEF&CC.**

I. State: Gujarat

Agenda 1. Diversion of 19.30 ha Reserved Forest land for renewal of mining at Mahelen, Sajivav and Kadvali in favour of Manager, Alembic Glass Industry in Vadodara District (6-GJC056/2014-BHO)

This proposal was discussed in the REC held on 29/7/2015. The REC sought clarification as to how the proposal for renewal has been forwarded to Govt. of India when the land is in the possession of the Forest Department since, 2006.

The State Govt (Gujarat) has explained that the taking back of land was as a part of procedure. Since lease was not renewed, pending any renewal and any other orders, being state custodian of forest land, it was logical for forest department to take possession. This does not amount to cancellation of lease or does not debar the user agency or in any way dilute the claim of user agency or disqualifies the user agency. The proposal for renewal of mining project (Block Project). The replies submitted by State Govt of Gujarat is being placed before REC for discussion/ consideration.

II. State: Madhya Pradesh.

Agenda 2. Diversion of 2.00 ha Reserved Forest land in Survey No. 111, Village-Ameta for extraction of black basalt in favour of Shri Rakesh Kumar Agrawal in Damoh District of MP (6-MPC019/2015-BHO)

The proposal was discussed in the REC held on 30/6/2015. The REC sought clarification on issues like location of basalt rock, extraction of minerals, transportation through forest road only and it was discussed that extent of 2.0 ha for extraction of Basalt rock is too small for quarrying.

The State Govt (MP) has explained that there are no alternatives for proposed diversion and the road which will be used for transportation is already present. The proposal for diversion is a black basalt mining project (Block Project). The replies submitted by State Govt. (MP) is being placed before REC for discussion/ consideration.

Agenda 3. Diversion of 7.9605 ha RF and PF land for laying of Mallavaram-Bhopal-Bhilwara-Vijaypur pipeline in favour of GSPL, Transco Ltd in Jhabua District of MP (6-MPC031/2015-BHO)

The proposal for diversion is a linear project(Gas Pipeline). All documents are as per the checklist show completeness of the proposal. Required documents have been uploaded on the web portal of MoEFCC. The proposal is being placed before REC for consideration and approval.
