The Ministry of Defence has requested this Ministry to extend the said relaxation to all strategic defence projects (including infra-structure and road projects) being taken up in the area located within 100 km aerial distance from the Line of Actual Control (LAC) by any user agency identified by the Ministry of Defence.

The matter has been examined in this Ministry and after careful consideration, with a view to expedite creation of strategic defence projects, this Ministry hereby decides to extend the said relaxation to all strategic defence projects (including infra-structure and road projects)
